

July 3-6, 2020

Qingdao, China

Big Data & Artificial Intelligence

CALL FOR PAPERS

IMPORTANT DATES

20 February 2020

Submission of Full Papers

10 March 2020

Notification to Authors of
Accept/Reject Decision

25 March 2020

Deadline of Registration

3-6 July 2020

Conference Dates

ORGANIZING COMMITTEE

International Advisory Committee

Kay Chen Tan, IEEE FELLOW, City
University of Hong Kong, Hong Kong

GENERAL CHAIRS

Sheng-Uei Guan, Xi'an Jiaotong-
Liverpool University, China

Gaige Wang, Ocean University of China,
China

TECHNICAL PROGRAM CHAIRS

Feng Gao, Ocean University of China,
China

Guoqiang Zhong, Ocean University of
China, China

Yanwei Yu, Ocean University of China,
China

Jianqiang Li, Shenzhen University,
China

SPECIAL SESSION CHAIR

Zhang Gongxuan, Nanjing University of
Science and Technology, China

STEERING COMMITTEE

Ming Zhao, China

Agricultural University, China

Speakers

Prof. Kay Tan Chen, IEEE FELLOW,
City University of Hong Kong, Hong Kong;

Prof. Jianhua Zhang,
Oslo Metropolitan University, Norway

The 3rd International Conference on Big Data and Artificial Intelligence will take place at Ocean University of China, Qingdao, China.

The BDAI 2020 is sponsored by *Ocean University of China* and *Big data Institute of Xi'an Jiaotong-Liverpool University, China*; Co-sponsored by *China Agricultural University* and *South China University of Technology*. The conference chair is positioned by **Prof. Steven Sheng-Uei Guan** in Xi'an Jiaotong-Liverpool University, China and **Prof. Gaige Wang** in Ocean University of China. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world.

SUBMISSION TOPICS

- » » Big Data Models and Algorithms
- » » Big Data Architectures
- » » Big Data Protection, Integrity and Privacy
- » » Security Applications of Big Data
- » » Big Data Search and Mining
- » » Patient safety
- » » Privacy Preserving Big Data Analytics
- » » Cloud Computing Techniques for Big Data
- » » Artificial Intelligence
- » » Pattern Recognition
- » » Imaging and communication
- » » Knowledge-Based System
- » » Deep Learning
- » » Embedded systems
- » » Data Mining
- » » Natural Language
- » » Machine Learning

SUBMISSION

Authors are invited to submit an original full paper (5-6 pages) reporting original researches of theoretical or applied nature using the on-line submission system. The submission should explain the significance of the contribution and contain a list of key references. The manuscripts must be written in English according to the guidelines provided on the web site: <http://www.bdai.net/submission.html>.

Conference content will be submitted for inclusion into Ei Compendex, Scopus as well as other Abstracting and Indexing (A&I) databases.

Method:

Contact the secretary: bdai2018@vip.163.com for submission. Or submit the paper through linkage: <https://easychair.org/conferences/?conf=bdai2020>
